

## Neal and Marjorie Stager Endowment Fund for Holy Family Parish

### Honoring a Family, Supporting a Church Home

When a designated fund is created with the Community Foundation for the Alleghenies, donors can be confident that the charities they are passionate about benefit from consistent and reliable annual funding. The Neal and Marjorie Stager Endowment Fund for Holy Family Parish was created to provide general support and maintenance for Holy Family Parish, as determined by the finance committee and the parish priest.

#### A Perpetual Legacy

Endowments are invested over time, earning interest that can support the needs of the church, no matter what they may be in the future. Donations—and all future earnings—will be a permanent source of community capital, helping to do good work, forever. While this fund was created by members of the Stager family to honor their loved ones, anyone can create a fund to support Holy Family Parish in their name, or in the name of their family or business.

#### High Quality and Cost-Efficient Administration

The Community Foundation handles all the administrative details and issue distributions to the church in the name of the fund. Funds are charged an administrative fee of just .9%.

#### Flexible Giving Options

Including a Community Foundation fund in your estate plan can help make your planning simpler. You may be able to avoid costs and time of creating and administering various charitable giving vehicles, such as complicated trusts.
