

8th Grade Class Service Project
For Gift Bags for Lodge Run Apartment Residents

All students preparing for the Sacrament of Confirmation are required to complete a service project to benefit the community. Some of our 8th grade children, working with their families, will host a bake sale after Masses on November 23rd and 24th in the parish hall. Proceeds will be used to purchase Christmas gift bags for the residents of Lodge Run Apartments. They will also accept monetary donations after those Masses. If you are unable to attend and would like to help the children meet their goal of spreading Christmas Cheer, an Amazon wish list has been created for gift bag items. Go to: [Amazon.com](https://www.amazon.com) and place your order, which will be delivered directly to the families working on this project.
