**A couple of messages from Fr. Tom...**

**Altar Servers:** I recently washed all the Altar Server Albs. I noticed that some had a lot of makeup stains around the collars. Ladies, please try to use as little makeup as possible. I had to pre-treat and wash a few of the albs twice to get them clean. Thanks, Fr. Tom.

**Lectors:** A reminder that between the introduction to the reading and the actual Scripture passage, there needs to be a pause. A pause is also needed at the end of the reading and prior to your saying, "The word of the Lord." This helps God's Word in the Scripture passage to stand out from the intro and conclusion. Thanks, Fr. Tom.
