January 25, 2025 – 3rd Sunday in Ordinary Time

Today’s readings remind us that stewardship is not just a thing we do – rather, stewardship is at the core of who we are as disciples of Christ. Our first reading, from Isaiah, contains this prophecy of Christ and what His saving message would mean to all who embrace it. “The people who walked in darkness have seen a great light; upon those who dwelt in the land of gloom a light has shone.” We are among those blessed people on whom the light of Christ has shone. By virtue of our Baptism, we who were once in the darkness and gloom of original sin have been born again into the great light that is God’s grace in us.

We have become cherished members of God’s family. What a privilege! Yet, with this privilege comes the responsibility to actually live for God and to bring His good News to all those we meet at work, at school, in our community and right in our own home. This is the essence of a stewardship way of life – to be always ready for the ways that our Lord is calling us to bring His light to others. It’s more than something we do – it’s who we are.

SYMPATHY – Our Parish family wishes to extend their sincerest sympathy to Clarence Kalinoski on the death of his wife, **Helen**. May she rest in the peace of the Lord.

Our Flooring Project began on Monday, January 5th. We are better than on schedule with the work. All the asbestos tiles we can remove at this time from the Church building are gone. The dumpster was removed from the property on Thursday! The next step is to prepare the concrete floor for the new tile and carpeting. That work will start on Monday. Thank you for your patience and flexibility thus far. Please keep working with us through the mess and adjustment we have had to make. There are photos on the website and Facebook pages of our parish. Please call me if you have any questions or concerns and please keep the project in your prayers! Fr. Tom
